PREFERRED POSITIONS: SAP BTP Technical Lead | SAP Solution Architect | SAP Technical Presales Manager

WORK EXPERIENCE

01/2022 – Current

SAP - BTP Solution Advisor, Senior Specialist

Strategic architect and technical lead, bridging the gap between complex customer requirements or needs and scalable cloud solutions. Guiding digital transformation by designing robust integration, extension, and data analytics frameworks within the SAP Business Technology Platform. The role involves advising C-suite stakeholders on best practices to optimize enterprise landscapes, ensuring agility, and driving innovation through the effective deployment of SAP's cloud-native services.

05/2021 – 12/2022

BASF – SAP & AI Solutions Engineer

Being part of Cash & Credit Management Team developing AI Solutions for several areas of Finance: Treasury, Accounts Receivables. Working with SAP BTP, HANA, SAP Analytics Cloud and SAP S4HANA and SAP BW and integrating SQL, ABAP, R algorithms and Machine Learning techniques as classification and reinforcement learning into mixed scenarios between HANA and BW systems.

10/2020 – 04/2021

SDG Group - SAP BI Manager

Managing BI projects in different areas: Data Engineering, Visual Discovery, Data Governance, Data Quality and Predictive Analytics.

Managing a technical team of around 20 consultants and taking direct responsibilities with multiple clients.

Also being involved in partnership actions with SAP.

10/2016 – 09/2020

SDG Group - SAP BI Senior Consultant

SAP Senior Consultant in different technologies such as ABAP, SAP HANA, SAP BW, SAP Analytics Cloud and SAP BO. Also collaborating with non-SAP data visualization tools as Tableau or PowerBI.

10/2011 – 10/2016

Consultia IT - SAP Consultant

SAP Consultant in different SAP ECC projects involving different sectors such as Public Sector, Retail, Manufacturing, Supply Chain Management, Financials or Pharma.

Working with ABAP IV and SAP Standard Customizing.

04/2011 – 10/2011 INDRA Sistemas - Internship

Technical analysis and design of corporative systems and reporting tools for ENRESA.

11/2009 – 04/2011 Universidad Carlos III de Madrid (UC3M) - Internship

Working in the IT department solving hardware and software issues.
